

Positive Word Rate Analysis of Presidential Debate

Source - October 3, 2012 Debate Transcript

Observations:

- As the debate progresses the number of positive words spoken by candidates continue to increase.
- Mr. Obama's rate of speaking positive words is higher than Mr. Romney and Mr. Obama has spoken the highest number of positive words.
- It is evident that since the debate was between Mr. Obama and Mr. Romney, Mr. Lehrer has spoken fewer words in comparison.
